18	SECTION 6. IC 27-8-5-19, AS AMENDED BY P.L.127-2006,
19	SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
20	JULY 1, 2007]: Sec. 19. (a) As used in this chapter, "late enrollee" has
21	the meaning set forth in 26 U.S.C. 9801(b)(3).
22	(b) A policy of group accident and sickness insurance may not be
23	issued to a group that has a legal situs in Indiana unless it contains in
24	substance:
25	(1) the provisions described in subsection (c); or
26	(2) provisions that, in the opinion of the commissioner, are:
27	(A) more favorable to the persons insured; or
28	(B) at least as favorable to the persons insured and more
29	favorable to the policyholder;
30	than the provisions set forth in subsection (c).
31	(c) The provisions referred to in subsection (b)(1) are as follows:
32	(1) A provision that the policyholder is entitled to a grace period
33	of thirty-one (31) days for the payment of any premium due
34	except the first, during which grace period the policy will
35	continue in force, unless the policyholder has given the insurer
36	written notice of discontinuance in advance of the date of
37	discontinuance and in accordance with the terms of the policy.
38	The policy may provide that the policyholder is liable to the
39	insurer for the payment of a pro rata premium for the time the
40	policy was in force during the grace period. A provision under
41	this subdivision may provide that the insurer is not obligated to

pay claims incurred during the grace period until the premium

1	due is received.
2	(2) A provision that the validity of the policy may not be
3	contested, except for nonpayment of premiums, after the policy
4	has been in force for two (2) years after its date of issue, and that
5	no statement made by a person covered under the policy relating
6	to the person's insurability may be used in contesting the validity
7	of the insurance with respect to which the statement was made,
8	unless:
9	(A) the insurance has not been in force for a period of two (2)
10	years or longer during the person's lifetime; or
11	(B) the statement is contained in a written instrument signed
12	by the insured person.

14	assertion at any time of defenses based upon a person's
15	ineligibility for coverage under the policy or based upon other
16	provisions in the policy.
17	(3) A provision that a copy of the application, if there is one, of
18	the policyholder must be attached to the policy when issued, that
19	all statements made by the policyholder or by the persons insured
20	are to be deemed representations and not warranties, and that no
21	statement made by any person insured may be used in any contest
22	unless a copy of the instrument containing the statement is or has

24	incapacity of the insured person, to the insured person's
25	beneficiary or personal representative.

29	satisfactory to the insurer as a condition to part or all of the
30	person's coverage.
31	(5) A provision specifying any additional exclusions or limitations
32	applicable under the policy with respect to a disease or physical
33	condition of a person that existed before the effective date of the
34	person's coverage under the policy and that is not otherwise

42	the six (6) months before the enrollment effective date of the
	· · · · · · · · · · · · · · · · · · ·

1	person's coverage; and
2	(B) may not apply to a loss incurred or disability beginning
3	after the earlier of:
4	(i) the end of a continuous period of twelve (12) months
5	beginning on or after the enrollment effective date of the
6	person's coverage; or
7	(ii) the end of a continuous period of eighteen (18) months
8	beginning on the enrollment effective date of the person's
9	coverage if the person is a late enrollee.
10	This subdivision applies only to group policies of accident and
11	sickness insurance other than those described in section 2.5(a)(1)
12	through $2.5(a)(8)$ and $2.5(b)(2)$ of this chapter.

14	applicable under the policy with respect to a disease or physical
15	condition of a person that existed before the effective date of the
16	person's coverage under the policy. An exclusion or limitation that

18	(A) may apply only to a disease or physical condition for
19	which medical advice or treatment was received by the person
20	during a period of three hundred sixty-five (365) days before
21	the effective date of the person's coverage; and
22	(B) may not apply to a loss incurred or disability beginning
23	after the earlier of the following:
24	(i) The end of a continuous period of three hundred
25	sixty-five (365) days, beginning on or after the effective date
26	of the person's coverage, during which the person did not
27	receive medical advice or treatment in connection with the
28	disease or physical condition.
29	(ii) The end of the two (2) year period beginning on the
30	effective date of the person's coverage.
31	This subdivision applies only to group policies of accident and
32	sickness insurance described in section 2.5(a)(1) through
33	2.5(a)(8) of this chapter.
34	(7) If premiums or benefits under the policy vary according to a
35	person's age, a provision specifying an equitable adjustment of:
36	(A) premiums;
37	(B) benefits; or
38	(C) both premiums and benefits;
39	to be made if the age of a covered person has been misstated. A
40	provision under this subdivision must contain a clear statement of
41	the method of adjustment to be used.
42	(8) A provision that the insurer will issue to the policyholder, for

1	delivery to each person insured, a certificate, in electronic or
2	paper form, setting forth a statement that:
3	(A) explains the insurance protection to which the person
4	insured is entitled;
5	(B) indicates to whom the insurance benefits are payable; and
6	(C) explains any family member's or dependent's coverage
7	under the policy.
8	The provision must specify that the certificate will be provided in
9	paper form upon the request of the insured.
10	(9) A provision stating that written notice of a claim must be
11	given to the insurer within twenty (20) days after the occurrence
12	or commencement of any loss covered by the policy, but that a
13	failure to give notice within the twenty (20) day period does not
14	invalidate or reduce any claim if it can be shown that it was not
15	reasonably possible to give notice within that period and that
16	notice was given as soon as was reasonably possible.
17	(10) A provision stating that:
18	(A) the insurer will furnish to the person making a claim, or to
19	the policyholder for delivery to the person making a claim,
20	forms usually furnished by the insurer for filing proof of loss;
21	and
22	(B) if the forms are not furnished within fifteen (15) days after
23	the insurer received notice of a claim, the person making the
24	claim will be deemed to have complied with the requirements
25	of the policy as to proof of loss upon submitting, within the
26	time fixed in the policy for filing proof of loss, written proof
27	covering the occurrence, character, and extent of the loss for
28	which the claim is made.
29	(11) A provision stating that:
30	(A) in the case of a claim for loss of time for disability, written
31	proof of the loss must be furnished to the insurer within ninety
32	(90) days after the commencement of the period for which the
33	insurer is liable, and that subsequent written proofs of the
34	continuance of the disability must be furnished to the insurer
35	at reasonable intervals as may be required by the insurer;
36	(B) in the case of a claim for any other loss, written proof of
37	the loss must be furnished to the insurer within ninety (90)
38	days after the date of the loss; and
39	(C) the failure to furnish proof within the time required under
40	clause (A) or (B) does not invalidate or reduce any claim if it
41	was not reasonably possible to furnish proof within that time,
42	and if proof is furnished as soon as reasonably possible but

1	(except in case of the absence of legal capacity of the	
2	claimant) no later than one (1) year from the time proof is	
3	otherwise required under the policy.	
4	(12) A provision that:	
5	(A) all benefits payable under the policy (other than benefits	
6	for loss of time) will be paid:	
7	(i) immediately upon receipt of written proof of loss if	
8	the claim is filed by the policyholder; or	
9	(ii) in accordance with IC 27-8-5.7 if the claim is filed by	
10	the provider (as defined in IC 27-8-5.7-4; and	
11	(B) subject to due proof of loss, all accrued benefits under the	
12	policy for loss of time will be paid not less frequently than	
13	monthly during the continuance of the period for which the	
14	insurer is liable, and any balance remaining unpaid at the	
15	termination of the period for which the insurer is liable will be	
16	paid as soon as possible after receipt of the proof of loss.	
17	(13) A provision that benefits for loss of life of the person insured	
18	are payable to the beneficiary designated by the person insured.	
19	However, if the policy contains conditions pertaining to family	
20	status, the beneficiary may be the family member specified by the	
21	policy terms. In either case, payment of benefits for loss of life is	
22	subject to the provisions of the policy if no designated or	
23	specified beneficiary is living at the death of the person insured.	
24	All other benefits of the policy are payable to the person insured.	
25	The policy may also provide that if any benefit is payable to the	
26	estate of a person or to a person who is a minor or otherwise not	
27	competent to give a valid release, the insurer may pay the benefit,	
28	up to an amount of five thousand dollars (\$5,000), to any relative	V
29	by blood or connection by marriage of the person who is deemed	
30	by the insurer to be equitably entitled to the benefit.	
31	(14) A provision that the insurer, at the insurer's expense, has	
32	the right and must be allowed the opportunity to:	
33	(A) examine the person of the individual for whom a claim is	
34	made under the policy when and as often as the insurer	
35	reasonably requires during the pendency of the claim; and	
36	(B) conduct an autopsy in case of death if it is not prohibited	
37	by law.	
38	(15) A provision that no action at law or in equity may be brought	
39	to recover on the policy less than sixty (60) days after proof of	
40	loss is filed in accordance with the requirements of the policy and	
41	that no action may be brought at all more than three (3) years after	
42	the expiration of the time within which proof of loss is required	

1	by the policy.	
2	(16) In the case of a policy insuring debtors, a provision that the	
3	insurer will furnish to the policyholder, for delivery to each debtor	
4	insured under the policy, a certificate of insurance describing the	
5	coverage and specifying that the benefits payable will first be	
6	applied to reduce or extinguish the indebtedness.

8	coverage of a dependent child of a group member terminates upon	
9	the child's attainment of the limiting age for dependent children	
10	set forth in the policy, a provision that the child's attainment of the	
11	limiting age does not terminate the hospital and medical coverage

13	(A) incapable of self-sustaining employment because of	
14	mental retardation or mental or physical disability; and	
15	(B) chiefly dependent upon the group member for support and	
16	maintenance.	
17	A provision under this subdivision may require that proof of the	
18	child's incapacity and dependency be furnished to the insurer by	
19	the group member within one hundred twenty (120) days of the	
20	child's attainment of the limiting age and, subsequently, at	
21	reasonable intervals during the two (2) years following the child's	
22	attainment of the limiting age. The policy may not require proof	
23	more than once per year in the time more than two (2) years after	
24	the child's attainment of the limiting age. This subdivision does	
25	not require an insurer to provide coverage to a mentally retarded	
26	or mentally or physically disabled child who does not satisfy the	
27	requirements of the group policy as to evidence of insurability or	7
28	other requirements for coverage under the policy to take effect. In	
29	any case, the terms of the policy apply with regard to the coverage	١
30	or exclusion from coverage of the child.	
31	(18) A provision that complies with the group portability and	
32	guaranteed renewability provisions of the federal Health	
33	Insurance Portability and Accountability Act of 1996	
34	(P.L.104-191).	
35	(d) Subsection (c)(5), (c)(8), and (c)(13) do not apply to policies	
36	insuring the lives of debtors. The standard provisions required under	
37	section 3(a) of this chapter for individual accident and sickness	
38	insurance policies do not apply to group accident and sickness	
39	insurance policies.	
40	(e) If any policy provision required under subsection (c) is in whole	

or in part inapplicable to or inconsistent with the coverage provided by an insurer under a particular form of policy, the insurer, with the

41

42

1	approval of the commissioner, shall delete the provision from the
2	policy or modify the provision in such a manner as to make it
3	consistent with the coverage provided by the policy.
4	(f) An insurer that issues a policy described in this section shall
5	include in the insurer's enrollment materials information concerning the
6	manner in which an individual insured under the policy may:
7	(1) obtain a certificate described in subsection (c)(8); and

29	or	
30	(B) gaps for deductibles or copayments.	
31	(9) A supplemental plan that always pays in addition to other	
32	coverage.	
33	(10) A student health plan.	
34	(11) An employer sponsored health benefit plan that is:	
35	(A) provided to individuals who are eligible for Medicare;	
36	and	
37	(B) not marketed as, or held out to be, a Medicare

39	SECTION 18. IC 36-8-10-12 IS AMENDED TO READ AS	
40	FOLLOWS [EFFECTIVE JULY 1, 2007]: Sec. 12. (a) The department	
41	and a trustee may establish and operate an actuarially sound pension	
42	trust as a retirement plan for the exclusive benefit of the employee	

beneficiaries. However, a department and a trustee may not establish
or modify a retirement plan after June 30, 1989, without the approval
of the county fiscal body which shall not reduce or diminish any
benefits of the employee beneficiaries set forth in any retirement plan
that was in effect on January 1, 1989.
(b) The normal retirement age may be earlier but not later than the
age of seventy (70). However, the sheriff may retire an employee who
is otherwise eligible for retirement if the board finds that the employee
is not physically or mentally capable of performing the employee's
duties.
(c) Joint contributions shall be made to the trust fund:
(1) either by:
(A) the department through a general appropriation provided
to the department;
(B) a line item appropriation directly to the trust fund; or
(C) both; and
(2) by an employee beneficiary through authorized monthly
deductions from the employee beneficiary's salary or wages.
However, the employer may pay all or a part of the contribution
for the employee beneficiary.
Contributions through an appropriation are not required for plans
established or modifications adopted after June 30, 1989, unless the
establishment or modification is approved by the county fiscal body.
(d) For a county not having a consolidated city, the monthly
deductions from an employee beneficiary's wages for the trust fund
may not exceed six percent (6%) of the employee beneficiary's average
monthly wages. For a county having a consolidated city, the monthly
deductions from an employee beneficiary's wages for the trust fund
may not exceed seven percent (7%) of the employee beneficiary's
average monthly wages.
(e) The minimum annual contribution by the department must be
sufficient, as determined by the pension engineers, to prevent
deterioration in the actuarial status of the trust fund during that year. If
the department fails to make minimum contributions for three (3)
successive years, the pension trust terminates and the trust fund shall
be liquidated.
(f) If during liquidation all expenses of the pension trust are paid,
adequate provision must be made for continuing pension payments to
retired persons. Each employee beneficiary is entitled to receive the net
amount paid into the trust fund from the employee beneficiary's wages,

and any remaining sum shall be equitably divided among employee beneficiaries in proportion to the net amount paid from their wages into

the trust fund.

- (g) If a person ceases to be an employee beneficiary because of death, disability, unemployment, retirement, or other reason, the person, the person's beneficiary, or the person's estate is entitled to receive at least the net amount paid into the trust fund from the person's wages, either in a lump sum or monthly installments not less than the person's pension amount.
- (h) If an employee beneficiary is retired for old age, the employee beneficiary is entitled to receive a monthly income in the proper amount of the employee beneficiary's pension during the employee beneficiary's lifetime.
- (i) To be entitled to the full amount of the employee beneficiary's pension classification, an employee beneficiary must have contributed at least twenty (20) years of service to the department before retirement. Otherwise, the employee beneficiary is entitled to receive a pension proportional to the length of the employee beneficiary's service.
- (j) This subsection does not apply to a county that adopts an ordinance under section 12.1 of this chapter. For an employee beneficiary who retires before January 1, 1985, a monthly pension may not exceed by more than twenty dollars (\$20) one-half (1/2) the amount of the average monthly wage received during the highest paid five (5) years before retirement. However, in counties where the fiscal body approves the increases, the maximum monthly pension for an employee beneficiary who retires after December 31, 1984, may be increased by no more or no less than two percent (2%) of that average monthly wage for each year of service over twenty (20) years to a maximum of seventy-four percent (74%) of that average monthly wage plus twenty dollars (\$20). For the purposes of determining the amount of an increase in the maximum monthly pension approved by the fiscal body for an employee beneficiary who retires after December 31, 1984, the fiscal body may determine that the employee beneficiary's years of service include the years of service with the sheriff's department that occurred before the effective date of the pension trust. For an employee beneficiary who retires after June 30, 1996, the average monthly wage used to determine the employee beneficiary's pension benefits may not exceed the monthly minimum salary that a full-time prosecuting attorney was entitled to be paid by the state at the time the employee beneficiary retires.
- (k) The trust fund may not be commingled with other funds, except as provided in this chapter, and may be invested only in accordance with statutes for investment of trust funds, including other investments
